

The information portal for trademarks, licences and products

# Membership

Manufacturer, Distribution, Suppliers

#### About BRANDORA.de

- For more than 20 years, we have been the established information portal for the toy and licensing industry
- We reach up to 200,000 qualified users from the industry with our information and product messages
- We link the license with the licensees' licensed products.
- Our database includes more than 6,200 company profiles of which about 280 are from member companies Spielware and almost 400,000 product profiles
- The licensing industry is represented with more than 150 licensor profiles, 1,320 licensees and 1,200 different licensing topics
- Our magazine reports regularly with exciting advertorials from the license and toy industry
- The BRANDORA Job Exchange is an effective and efficient tool for the industries we connect the right people
